2022
LNS ANNUAL REPORT

FACTS & FIGURES

DEAR READERS

We are thrilled to present the Digital Annual Report 2022 of the Laboratoire national de santé (LNS), a special year which marks the 10th anniversary of becoming a public institution. Over the past year, we have relentlessly pursued excellence in healthcare by delivering accurate diagnostics, supporting public health initiatives, and conducting research. This report serves as a testament to our commitment to Luxembourg's well-being.
